***Apply Here:** <https://xt9iuyp9fqg.typeform.com/to/f1el11Yv>

***Salary: INR 4,20,000/- to INR 6,60,000/- Per Annum**

Key Responsibilities:

- Collaborate with product management and design teams to understand user requirements and design specifications.
- Develop user interfaces for web and mobile applications using front-end technologies such as HTML5, CSS3, JavaScript, and frameworks like React, Angular, or Vue.js.
- Create wireframes, prototypes, and mock-ups to demonstrate design concepts and interactions.
- Conduct user research, usability testing, and gather feedback to iteratively improve user interfaces.
- Optimize application performance and ensure responsiveness across various devices and browsers.
- Implement accessibility best practices to ensure inclusivity and compliance with accessibility standards.
- Stay updated on emerging trends, technologies, and best practices in UI/UX design and front-end development.
- Collaborate with back-end developers to integrate front-end components with server-side logic.

Desirable Skills/Traits:

- Proven experience as a UI/UX Developer or similar role, with a strong portfolio showcasing your UI/UX design projects.
- Proficiency in front-end development languages and frameworks such as HTML5, CSS3, JavaScript, React, Angular, or Vue.js.
- Experience with UI/UX design tools such as Sketch, Adobe XD, Figma, or Invision.
- Strong understanding of user-centered design principles, information architecture, and interaction design.

- Excellent communication and collaboration skills to effectively work with cross-functional teams.
- Ability to prioritize and manage multiple projects in a fast-paced environment.
- Familiarity with Agile methodologies and version control systems (e.g., Git) is preferred.
- Certification in UI/UX design or front-end development.
- Experience with motion design and animation libraries (e.g., GSAP, Framer Motion).
- Knowledge of back-end development technologies and concepts.
- Familiarity with design systems and component libraries.
- Experience working in e-commerce or SaaS industries
- Experience with responsive design techniques and optimizing for mobile platforms.
