

## IIT Mandi Launches Startup Practicum Program to Promote Entrepreneurship

The Indian Institute of Technology Mandi (IIT Mandi) is pleased to announce the launch of the Startup Practicum Program, designed to foster innovation and empower aspiring student entrepreneurs. This initiative will give participants the opportunity, tools and resources necessary to transform their entrepreneurial aspirations into impactful solutions addressing pressing societal challenges. In this 3 semester program, enrolled students will receive dedicated mentorship from both faculty members and experienced entrepreneurs/industry experts in their specific fields. This tailored guidance will support them in developing their startup ideas while successfully navigating their academic curriculum.

IIT Mandi Launches  
Startup Practicum Program to  
Promote Entrepreneurship

### Startup Practicum

Students can participate in the startup practicum during the last three semesters of the B Tech Program.

Batch Start in February

#### The Startup Practicum highlights include:

- ✓ Dedicated time and resources for student startup ideas.
- ✓ INR 15,000 monthly fellowship for the entire 3-semester program.
- ✓ 20 academic credits through the startup practicum curriculum.
- ✓ Mentorship from faculty members and industry experts.
- ✓ Focus on creative solutions to societal issues.
