

Instructions for filling up the application form

Note:

- 1. You are requested to fill up the form only once. You can provide three preferences while filling up the application form. At least, one main area should be mentioned while filling up the form.**
- 2. Incomplete or wrongly filled forms will not be considered shortlisting process.**
- 3. * marked fields are mandatory.**
- 4. If the qualifying exam is GATE, then please mention your GATE score validity, score (out of 1000) and rank correctly.**
- 5. You may save the final submitted form for the future reference.**

Basic Information Tab:

Photo: recent passport size photograph

Qualification Tab:

Fill up your education details starting from class 10th to the latest qualifying degree. Click “Add” button to add your qualifications.

After adding all the details click “Save & Next” button to move to “Program” section.

Programme Tab:

M.S./Ph.D. –

Choose whether you want to apply for MS, PhD or both by checking the appropriate boxes. Select whether you want to enroll for Regular or part-time.

Select the main area of research as per your preference (maximum three) from the dropdown menu. After selecting the main area you can choose appropriate specialization in the “Specialization” column. To choose multiple specialization (within the given main area) hold “Ctrl” key and click the specializations.

M.Tech. –

Gate Discipline: Select the discipline in which you have written qualified the GATE or equivalent examination. The valid qualifying examination streams are as follows: (i) EC- Electronic and Communications, (ii) EE- Electrical Engineering and (iii) IN- Instrumentation.

Specialization: Choose the specialization from the dropdown menu in order of your preference.

Note: Specialization preference rule: The following table summarizes the eligibility of M.Tech. specialization based on the qualified GATE stream.

Stem for qualified Exam	Eligible M.Tech. Specialization		
	VLSI	Communications& signal processing	Power Electronics and Drives
EC	✓	✓	
EE	✓		✓
IN	✓		

For example, a student qualifying the GATE exam in EC is eligible to choose: VLSI and Communication and Signal Processing

After adding required programme details click “Save & Next” button to move to “Entrance Exam” section.

Entrance Exam Tab:

Select appropriate qualified entrance examination, such as, GATE, CSIR-NET etc. Enter the year in which you have appeared in the said examination. Mention the year till which the score card is valid. Enter the score (for GATE, out of 1000) and the rank you have secured.
