

SCEE, IIT Mandi MTech admissions process

- 1. Candidates have filled up the M.Tech admission form with details such as COAP ID, GATE details, specialization etc.**
- 2. Based on the shortlisting / ranking criteria, in each admission round, the specialization and category wise shortlisted candidates will be informed to COAP.**
- 3. The candidates have to access the COAP website for considering and finalizing their admission options on specified dates by COAP.**
- 4. The above process continues until the round in which the seats at IIT Mandi are filled.**
