

**Walk-in-Interview for the post of
Project Associate (Junior Research Fellow) in MHRD-IMPRINT funded Project**

[Ref: IITM/MHRD-IMPRINT/AD/169]

Potential candidates are invited for **walk-in-interview on 20th May 2019** for the position of one Project Associate (JRF) in an MHRD-IMPRINT funded project in the laboratories of Dr Tulika Srivastava IIT Mandi.

Project Title: Sustainable Waste Water treatment through bio-photoelectro catalysis and biofuel production.

Job profile: The JRF will perform R&D in the areas of Next Generation Sequencing (NGS) technologies, metabolite profiling and Bioprocessing using Bioreactors.

Eligibility: M.Sc./B. Tech or equivalent degree with 60% marks in Life Sciences/ Computational Biology/ Biotechnology or relevant subject area.

Selection criteria:

Essential: Excellent communication skills, Ability to work both independently and as part of a multidisciplinary team, Willingness to learn new techniques.

Desirable: Knowledge and experience in both the computational biology and experimental biology, and those who have qualified GATE/NET/or other equivalent national level exam or having post graduate degree in engineering will be preferred.

Fellowship: 20,000-25000/- depending on qualification and experience as per MHRD guidelines.

Duration: Initially for 1 year (May be extended subject to the performance). The selected candidate will need to join the project immediately.

Note: JRF may get PhD admission if he/she fulfills the admission criteria of IIT Mandi.

Investigators:

Dr Tulika Srivastava, PhD Associate Professor School of Basic Sciences, IIT Mandi. http://faculty.iitmandi.ac.in/~tulika/

Walk-in-interview: 20th May 2019. Report at BioX Center, IIT Mandi, Kamand at 9:00 AM. No TA/DA is provided to attend the interview. Potential candidates are advised to send their detailed CV to tulika@iitmandi.ac.in along with a covering letter before the interview date.
