

**TENDER (E - PROCUREMENT MODE)**

**FOR**

**SUPPLY & INSTALLATION OF FIELD EMISSION SCANNING ELECTRON  
MICROSCOPE (FESEM) AT SCHOOL OF COMPUTING & ELECTRICAL  
ENGINEERING IIT MANDI**

**Tender No.:IITMANDI/S&P/PUR-200/2017-18/7743-44**

**Tender date: 15<sup>th</sup> November,2017**

**LastDate of submission: 5<sup>th</sup> December, 2017**

Indian Institute of Technology Mandi  
Transit Campus: Mandav Hotel, 2<sup>nd</sup> Floor (Near Bus Stand),  
Mandi -175001(H.P)

**Tel.:**01905-267039

**Email :** [satinder@iitmandi.ac.in](mailto:satinder@iitmandi.ac.in) & [tenders@iitmandi.ac.in](mailto:tenders@iitmandi.ac.in)

Indian Institute of Technology Mandi at Kamand invites online Bids for supply, erection, installation, commissioning, testing, demonstration and training of “**Field Emission Scanning Elecron Microscope (FESEM)**” as per specifications given in the Annexure attached to the Tender form. All offers should be made in English and should be written in both figures and words. Tender forms can be downloaded from the CPP Portal (<http://eprocure.gov.in/eprocure/app>) & Institute website <http://iitmandi.ac.in/administration/tenderseoi.php>.

The bidders are requested to read the tender document carefully and ensure compliance with all specifications/instructions here in. Non-compliance with specifications/instructions in this document may disqualify the bidders from the tender exercise. The Director, IITMandi, Kamand reserves the right to select the item (in single or multiple units) or to reject any quotation wholly or partly without assigning any reason. Incomplete tenders, amendments and additions to tender after opening or late tenders are liable to be ignored and rejected.

**Instruction to bidder:**

1. There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender publishing on the CPP Portal.
2. Bidder should take into account any corrigendum published on the tender document before submitting their bids.
3. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents – including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
4. The tenders will be received online through portal <http://eprocure.gov.in/eprocure/app>. In the Technical Bids, the bidders are required to upload all the documents in .pdf format. All quotation (**both Technical and Financial should be submitted in the E-procurement portal**).
5. Possession of a Valid Class II/III Digital Signature Certificate (DSC) in the form of smart card/e-token in the company's name is a prerequisite for registration and participating in the bid submission activities through <http://eprocure.gov.in/eprocure/app>. Digital Signature Certificates can be obtained from the authorized certifying agencies, details of which are available in the web site <https://eprocure.gov.in/eprocure/app> under the link “Information about DSC”.

### **Instruction for Preparation & Submission of bids:**

1. Technical & Financial Bids should be submitted in PDF format.
2. **In case of Financial bids**, a standard BOQ format has been provided in PDF format. Bidders are required to download the BoQ PDF file and fill their financial offer on the same BOQ format. After filling the same, submit it online in PDF format, without changing the financial template format. If the BoQ format file is found to be modified by the bidder, the bid will be rejected.
3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF formats. Bid documents may be scanned with 100 dpi with black and white option.
4. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
5. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
6. **Kindly add scanned PDF of all relevant documents in a single PDF file like, compliance sheet, OEM/Principle Certificate etc.**
7. Bidder should log into the site well in advance for bid submission so that he/she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
8. Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
9. The technical and financial bids should be submitted online through portal <http://eprocure.gov.in/eprocure/app> in original. The financial bid should include the cost of main equipment/item and its accessories. If there is any separate cost for installation etc. that should be quoted separately.
10. Each bidder should be marked with the following reference on the top bids submitted online: **“IITMANDI/S&P/PUR-200/2017-18/7743-44/Item Name. dated 15<sup>th</sup> November, 2017”**.
11. The printed literature and catalogue/brochure giving full technical details should be included with the technical bid to verify the specifications quoted in the tender. The bidders should submit copies of suitable documents in support of their reputation, credentials and past performance in .pdf format.
12. The rates should be quoted in figures (typed or printed) and cutting should be avoided. The final amount should be in figures as well as in words. If there are cuttings, they should be duly initialed, failing which the bids are liable to be rejected.

13. **Tender Cost:**The bidder should submit a demand draft of **Rs. 1,000/- (Rupees One Thousand only)** towards non-refundable **tender fee, drawn in favour of “The Registrar, IIT Mandi”** payable at Mandi in a sealed envelope super-scribed as **“Tender fee & NIT No. IITMANDI/S&P/PUR-200/2017-18/7743-44/Item Name. dated 15<sup>th</sup> November, 2017”** on or before last date & time of submission of bids. In the absence of tender cost, the tender will not be accepted.

14. **Earnest Money Deposit (EMD):**

Bidder should furnish an EMD of a refundable amount of **Rs. 5,00,000/-** in the shape of DD from a scheduled bank in India drawn in favour of **“The Registrar, IIT Mandi” payable at Mandi**. This EMD should be submitted in sealed envelop super-scribed as EMD & NIT No. **“IITMANDI/S&P/PUR-200/2017-18/7743-44/Item Name. dated 15<sup>th</sup> November, 2017”**. The bidders should enclose a pre-receipted bill for the EMD to enable us to return the EMD of unsuccessful bidders. **Failure to deposit Earnest Money will lead to rejection of tender.** In the event of the awardee bidder backing out, EMD of that bidder will be forfeited.

➤ **Note: Both (tender fee & EMD) envelops should be placed in another sealed envelope and address to:**

**“Assistant Registrar, Stores and Purchase”  
Indian Institute of Technology Mandi (IIT Mandi),  
Near Director Office, Kamand Distt. Mandi – 175005 (H.P), India”**

**This envelop having tender fee & EMD should reach on or before last date & time of submission of bid.**

15. **EMD Exemption:**

The Institute may accept bids without EMD from those bidders who are registered with the Central Purchase Organization, National Small Industries Corporation (NSIC) or the concern Ministry or Department **as Manufacturer**. To claim the exemption, the bidder must be offering goods manufactured by themselves. Exemption will not be granted in case the bidder is acting as an agent for some other vendor.

#### **General Terms & Condition:**

1. While sending rates, the firm shall give an undertaking to the effect that **“the terms/conditions mentioned in the enquiry letter/Tender Notice against which the rates are being given are acceptable to the firm.” in .pdf format.** In case the firms do not give this undertaking, their rates will not be considered.
2. If the supplier/firm is original equipment manufacturer (OEM)/authorized dealer/sole distributor of any item, the certificate to this effect should submit in .pdf format.

3. The quantity shown against the item is approximate and may vary as per demand of the Institute at the time of placing order.
4. Any bids received after **3:00 P.M. on 5<sup>th</sup> December, 2017** shall not be considered
5. The Technical Bids will be opened on **6<sup>th</sup> December, 2017 at 04:00 P.M.** The date & time for opening of Financial Bids will be informed later on to the technically qualified bidders.
6. The tenders will be received online through portal <http://eprocure.gov.in/eprocure/app>. All tender documents received after the specified date and time shall not be considered.

For any correspondence regarding tenders is on below address:

**“Assistant Registrar, Stores and Purchase”  
Indian Institute of Technology Mandi (IIT Mandi),  
Near Director Office, Kamand Distt. Mandi – 175005 (H.P), India”**

7. **Arbitration Clause:** In the event of any dispute or difference(s) between the vendee Institute (IIT Mandi) and the vendor(s) arising out of non-supply of material or supplies not found according to specifications or any other cause whatsoever relating to the supply or purchase order before or after the supply has been executed, shall be referred to “The Director, IIT Mandi”, Kamand who may decide the matter himself or may appoint arbitrator(s) under the arbitration and conciliation Act,1996. The decision of the arbitrator shall be final and binding on both the parties.
  - a) In case of a dispute between the purchaser and a foreign supplier, the dispute shall be settled by arbitration in accordance with provision of sub-clause above. But if this is not acceptable to the supplier then dispute shall be settled in accordance with provisions of UNCITRAL (United Nations Commission on International Trade Law) Arbitration Rules.
  - b) The venue of the arbitration shall be the place from where the order is issued.
  - c) The place of arbitration and the language to be used in arbitral proceedings shall be decided by the arbitrator.
  - d) All disputes shall be subject to Mandi Jurisdiction only.
8. All tenders in which any of the prescribed conditions is not fulfilled or any condition is putforth by the tenderer shall be summarily rejected.
9. The bidders or their authorized representatives may also be present during the opening of the Technical Bid, if they desire so, at their own expenses.

**Note:** Price bids of only those bidders will be opened whose technical bids are found suitable by the committee appointed for the purpose. Date and time of opening of price bids will be decided after technical bids have been evaluated by the committee. Information in this regard will be intimated only to the technically qualified bidders. In exceptional situation, an authorized committee may negotiate price with the qualified bidder quoting the lowest price before awarding the contract.

10. **Clarifications:**

In case the bidders requires any clarification regarding the tender document, they are requested to submit their queries on the e-mail i.e. [satinder@iitmandi.ac.in](mailto:satinder@iitmandi.ac.in), & [tenders@iitmandi.ac.in](mailto:tenders@iitmandi.ac.in) on or **before 24/11/2017**.

11. **Assistance To Bidders:** Any queries relating to the tender document and the terms & conditions contained therein should be addressed to tender Inviting Authority for a tender or relevant contact person indicated in the tender.

12. **Pre – Qualification Criteria:**

- Bidders should be the manufacturer / authorized dealer. Letter of Authorization from original equipment manufacturer (OEM) on the same and specific to the tender should be enclosed.
- An undertaking from the OEM is required stating that they would facilitate the bidder on a regular basis with technology/product updates and extend support for the warranty as well.
- OEM should be internationally reputed Branded Company.
- Non-compliance of tender terms, non-submission of required documents, lack of clarity of the specifications, contradiction between bidder specification and supporting documents etc. may lead to rejection of the bid.
- The Vendors who have earlier supplied the equipment to any of the IITs, IISc, IISERs and other Scientific Institute of National Repute may only tender. The details of such institutions and the cost with name of equipment may also be supplied with the bids.
- **In the tender, either the Indian agent on behalf of the Principal/OEM or Principal/OEM itself can bid but both cannot bid simultaneously for the same item/product in the same tender.**
- **If an agent submits bid on behalf of the Principal/OEM, the same agent shall not submit a bid on behalf another Principal/OEM in the same tender for the same item/product.**
- **Furnishing of wrong/ambiguous information in the compliance statement may lead to rejection of bid and further black listing of the**

**bidder, if prima-facie it appears that the information in the compliance statement was given with a malafide/fraudulent intent.**

**13. Prices:**

- The Prices quoted should be inclusive of all taxes or duties, packing, forwarding, freight, insurance, delivery and commissioning etc. at destination site (IIT Mandi, Mandi/Kamand). IIT Mandi is registered with DSIR, Govt. of India and is exempted from Custom / Excise Duty. Exemption Certificate to this effect will be issued by IIT Mandi. **Hence, Customs/Excise Duty exempted price should be quoted.** The rates shall be firm and final. Nothing extra shall be paid on any account.
- **In case of imports/foreign supplier, the price should be quoted on ex-work price/FOB/FCA basis only. Underspecial circumstance (e.g. perishable chemicals), when the item is imported on CIP/CIF, please indicate CIF/CIP charges separately upto Delhi indicating the mode of shipment. IIT Mandi will make necessary arrangements for the clearance of imported goods at the Airport/Seaport.**
- In case of imported equipment(s)/item(s), the agency commission, if any, payable in Indian rupees should be mentioned separately. **IAC shall be paid after satisfactory installation & commissioning of the goods at the destination.** For imported equipment, the Letter of Credit will be opened for the amount excluding agency commission in Indian Rupees. The firm should clearly mention the address of foreign bank in the financial bid.
- **In case of indigenous item, the vendor should clearly mention the final FOR IIT Mandi, Kamand Campus Price clearly mentioning the allied taxes and charges, as applicable in their bid.**

**14. Validity:**

The bid should be valid for acceptance up to a period of 180 Days. The Bidders should be ready to extend the validity, if required without any additional financial implications.

**15. Delivery:**

The Equipment should be delivered and installed within the period as specified in the purchase order and be ready for use within 4-6 weeks of the issue of purchase order unless otherwise prescribed. If the bidder fails to deliver and place any or all the Equipments or perform the service by the specified date, penalty at

the rate of 1% per week of the total order value subject to the maximum of 10% of total order value will be deducted.

**16. Installation, Training & Demonstration:**

Bidders need to provide adequate training to the nominated persons of IIT Mandi at their cost. IIT Mandi will not bear any training expenditure. The supplier is required to done the installation and demonstration of the equipment within **one month** of arrival of materials at the IIT Mandi site of installation, otherwise the penalty clause will be the same as per the supply of material.

In case of any mishappening/damage to equipment and suppliers during the carriage of suppliers from the origin of equipment to the installation site, the supplier has to replace to it with new equipment/supplies immediately at his own risk. Supplier will settle his claim with the insurance company as per his convenience. IIT Mandi will not be liable to any type of losses in any form.

- 17. Insurance:** For delivery of goods at the purchaser's premises, the Insurance shall be obtained by the supplier on **"All Risk"** basis. The insurance shall be valid for a period of not less than 3 months after installation and commissioning. **In case of order placed on FOB/FCA basis, the purchaser shall arrange insurance. If order placed on CIF/CIP basis, the insurance should be up to New Delhi.**

**18. Warranty Declaration:**

Bidders must give the comprehensive on-site warranty as required from the date of successful installation of Equipment against any manufacturing defects and also give the warranty declaration that *"everything to be supplied by us hereunder shall be free from all defects and faults in material, workmanship and shall be of the highest quality and material of the type ordered, shall be in full conformity with the specification and shall be complete enough to carry out the experiments, as specified in the tender document.*

Any deviation in the material, and the specifications from the accepted terms may liable to be rejected and the bidders need to supply all the goods in the specified form to the satisfaction/specifications specified in the order / contract and demonstrate at their own cost.

- The Purchaser Shall Promptly notify the Supplier in writing of any claims arising under this warranty. Upon receipt of such notice, the Supplier shall immediately within **Two weeks** arrange to repair or replace the defective goods or parts thereof free of cost at the ultimate destination. The Supplier shall take over the replaced parts/goods at the time of their replacement. No claim whatsoever shall lie to the Purchaser for the replacement parts/goods thereafter. The period for correction of defects in the warranty period is **Two week**. If the supplier having been notified

fails to remedy the defects within **Two week**, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expenses without prejudice to any other rights, which the purchase may have against supplier under the contract.

- The warranty period should be clearly mentioned. The maintenance charges (AMC) under different schemes after the expiry of the warranty should also be mentioned. The comprehensive warranty will commence from the date of the satisfactory installation/commissioning of the equipment against the defect of any manufacturing, workmanship and poor quality of the components.
- After the warranty period is over, Annual Maintenance Contract (AMC)/Comprehensive Maintenance Contract (CMC) should be started. The AMC/CMC Charges will not be included in computing the total cost of the equipment.

19. **Performance Bank Guarantee:** A performance bank guarantee from a scheduled bank in India for an amount equal to 10% of the price for duration of two months beyond the expiry of warranty period will be taken from the supplier or Indian agent.

20. **Terms of Payment:** Payment will generally be made only after delivery and satisfactory installation, testing, commissioning etc. **This must be specified in the tender/quotation.**

- In case of imported supplies, payment (excluding Indian agency commission, if any) will be made through irrecoverable Letter of Credit in two installments. 80 % of the money will be released on submission of shipping of documents. Remaining 20 % will be released after successful installation of the instrument and submission of a performance bank guarantee for 10% of the order value from a nationalized bank, valid for 2 months beyond the expiry of the warranty. All the bank charges within India will be borne by the Institute and outside India will be borne by the Supplier.
- In case of required item quoted in INR, 80% payment will be made through E-payment after receipt of material in good condition and Remaining 20% will be released on successful installation of the instrument and on submission of a performance bank guarantee for 10% of the order value from a nationalized bank, valid for 2 months beyond the expiry of the warranty.

21. **Tender expenses and documents:** All costs incurred by the bidder in the preparation of the tender shall be at the entire expense of the bidder.

22. **Tender Evaluation Criteria:** The technical bids will be opened and evaluated by a duly constituted committee. After evaluation of the technical bid, the

financial bid for only those offers which have qualified in the evaluation of technical bid will be opened.

**23. Return of EMD:**

- The earnest money of unsuccessful bidders will be returned to them without any interest within 15 working days after awarding the contract.
- The earnest money of the successful bidder will be returned to them without any interest within 15 Days after supply of material.

24. **Manual and documentation:** All the manuals necessary for operating and servicing the equipment (including details of electronic circuits) will have to be provided along with the instrument.

25. The IIT Mandi reserves the right to cancel the tender at any stage (point of time) without assigning any reason.

26. Bidders should go through the tender terms, conditions and specifications carefully and fill in the attached compliance statement accurately and unambiguously. They should ensure that all the required documents are furnished along with the bid.

< Organization Letter Head >>  
DECLARATION SHEET

We, \_\_\_\_\_ hereby certify that all the information and data furnished by our organization with regard to this tender specification are true and complete to the best of our knowledge. I have gone through the specification, conditions and stipulations in details and agree to comply with the requirements and intent of specification. This is certified that our organization has been authorized (Copy attached) by the OEM to participate in Tender. We further certified that our organization meets all the conditions of eligibility criteria laid down in this tender document. Moreover, OEM has agreed to support on regular basis with technology / product updates and extend support for the warranty.

We, further specifically certify that our organization has not been Black Listed/De Listed or put to any Holiday by any Institutional Agency/ Govt. Department/ Public Sector Undertaking in the last three years.	NAME & ADDRESS OF THE Vendor/ Manufacturer / Agent
1 Phone	
2 Fax	
3 E – mail	
4 Contact Person Name	
5 Mobile Number	
6 TIN Number	
7 PAN Number	
8 GST No.	
9 Kindly provide bank details of the bidder in the following format:	
a) Name of the Bank	
b) Account Number	
c) Kindly attach scanned copy of one Cheque book page to enable us to return the EMD to unsuccessful bidder	

**Ref:-ENQUIRYNO:-IITMANDI/S&P/PUR-200/2017-18/7743-44/FESEM**

**TECHNICAL SPECIFICATIONS FOR FIELD EMISSION SCANNING ELECTRON MICROSCOPE (FESEM)**

C4DFED, IIT Mandi is looking for high end state of the art Field Emission Scanning Electron Microscope (FESEM) capable of imaging non conducting/conducting samples, polymers, ceramics, magnetic/magnetic oxide samples and wet biological samples specimens with resolution of 0.7nm or better. Desired specifications are as following:

Sl. No	Specifications	Details
1.	Imaging Capabilities	The system must demonstrate the capability of imaging both non-conducting & conductive samples with resolution of 0.7nm or better. (i) Beam Deceleration/Beam Booster technology/Gentle Beam technology or equivalent for high resolution imaging at low kV. (ii) The system must have Magnetic/Electrostatic objective/Super hybrid lens or equivalent lens assembly for high resolution imaging of magnetic materials specially with shorter working distance.
2.	Magnification	X 20 to 10,00,000 or more
3.	Resolution	0.7nm or below at 15kV and 1.2 nm or below at 1kV
4.	Variable pressure imaging	up to 500 Pa adjustable in the step of 1 Pa
5.	Chamber	Large chamber having one dimension atleast 325 mm with height not less than 270 mm is essential. The chamber should have atleast Ten free accessory ports for installing detectors and other accessories. The chamber should accommodate 6& 8 inches wafer for inspection.
6.	Electron Gun	Schottky Field Emission Gun capable of providing high brightness/high current for noise free imaging.
7.	Acceleration Voltage	Continuously adjustable from 0.20 to 30 kV or more
8.	Working Distance	0.5 or less to 50mm or more (preferable)
9.	Probe current	Minimum 100nA or less preferable

10.	Stage	5 axis motorized eccentric stage with motorized stage movements equivalent to or better X=100 mm or more Y=100 mm or more Z=50mm or more Tilt=-3-70° Rotation=360° ; should be continuously varying
11.	Detectors	<p>a. Everhart-Thronley (ET) Secondary Electron Detector</p> <p>b. In-Lens /In column SE detector detector/upper secondary electron detector or equivalent detector for high resolution imaging in High Vacuum with automatic brightness &amp; contrast adjustment.</p> <p>c. Parallel in-column detection of secondary electrons and backscattered electrons.</p>
12.	Digital Image Store and Image Processor	<ul style="list-style-type: none"> <li>• 4:3 Format with 16bit dynamic range: 1024x768 pixels, 2048x1536 pixels, 3072x2304 pixels, 4096x3072 pixels, 6144x4608 pixels, 8192x6144 pixels, 12288x9216 pixels, 24576x18432 pixels, 32768x24576 pixels</li> <li>• Pixel averaging</li> <li>• Frame averaging for up to 256 frames</li> <li>• Line averaging for up to 256 lines</li> <li>• Combination of Pixel and Frame averaging</li> <li>• Combination of Pixel and Line averaging</li> <li>• Drift corrected frame averaging</li> </ul> <p>Image store resolution upto 32K x 24K pixels for high resolution large image mapping.</p>
13.	Vacuum System	Oil free vacuum system having ion pump, Turbo Pump & R.P to achieve ultimate vacuum of 10 <sup>-8</sup> mbar or better. All necessary gauges and valves must be included. Pump down time should be less than 5 minutes.
14.	Water Chiller	Air cooled Chiller of appropriate capacity
15.	Compressor	For all pneumatic operations
16.	Computer & its accessories	The system must have compatible latest version high performance computer with high end state of the art processor and Windows based operating system, sufficient number of USB port and RAM, 30-inch Monitor, DVD RW, Mouse, Keyboard, color printer etc. Image Storage : 2 TB Hard disk or better
17.	Consumables, Spares and Tools	The system should be supplied with all the accessoires and consumables like apertures, objective caps, gaskets, seals, O-rings and fuses etc for next five years. <ul style="list-style-type: none"> <li>• Two additional schottky electron source modules to be supplied free of costas and when required.</li> </ul>
18.	Other accessories	The offer must include the following <p>(i) Ultra-low vibration isolation system must be included with the equipment. Please provide details about exact vibraiton isolaiton included : clearly specify if</p>

		<p>the offered isolation is passive or active, which type and its specifications.</p> <p>(ii) Control panel for adjustment of various SEM functions like focus, magnification etc</p> <p>(iii) Manual Joystick control for stage control</p> <p>(iv) Infrared camera for chamber viewing</p> <p>(v) Interface between SEM and EDS</p> <p>(vi) Sample holders for holding 6" &amp; 8" wafers</p> <p>(vii) Sample mounting stubs – 20Nos</p> <p>(viii) sample mounting stubs – 5 Nos</p> <p>(ix) Carbon tapes – 5 Nos</p>
21	EDS detector	<p>The EDS detector should be liquid nitrogen free with integrated dual Vertical stage Peltier cooling system. The resolution of the detector should be 127 eV or better @ Mn Ka.</p> <p>The active area should be 30 mm<sup>2</sup> or more. Should have high input count upto 2 MCPS. Resolution stability should be greater than 90% up to 200 kcps or better to ensure high quality data at high collection speeds.</p> <p>Detection range should be atleast from element Be(4) to U(2). The EDS system should be supplied with a separate PC. The EDS detector should able to do quantitative and qualitative analysis.</p> <p>The EDS software should have the features like point ID, line scan, area analysis, mapping, phase mapping, Xray mapping, drift correction, spectrum matching etc.</p> <p>A separate computer system with monitor &amp; colored printer should be provided with the system.</p> <p>Standard calibrating samples is must.</p>
22.	Heating Module	<p>500° C or more heating module for sample heating with PID controller. The module should be properly insulated and should not damage the system in routine use.</p>
23	Micromanipulator for electrical & mechanical measurements inside FESEM	<p>Four -Three-axes micromanipulator system for Electron Microscopy. Should travel in the linear axis 12 mm, travel in the rotational axes 240°.</p> <p>The system should include control electronics, joy pad, iprobe control software, tip holders for probe tips with required accessories and vacuum feed through.</p> <p>The system should also have Low Current Measurement Kit to measure low current, low capacity measurement on conductive/semiconductive samples upto 10fA.</p> <p>The kit should consists of probe tip holder, all triax cables, feed through and vacuum flange. The system should include control device with Advance probing technique-Live contact tester for safe approach of tips to the specimen.</p> <p>The system should be complete in all respect for measuring Four Point Probe measurements. Should have a micro gripper for handling samples for Force measurements, for</p>

		<p>nanoindentation and tensile measurements with force measurement tool for up to 8N or more. All required software for measurements should be included.</p> <p>Following consumables should be included in the offer:</p> <p>(i) Force sensors of length 120µm, tip radius &lt; 20 nm, tip height &gt; 5 µm, tip force constant nearly 30 to 40 N/m and force resolution 10 nN – 10 Nos</p> <p>(ii) flat Sample Stubs for the Prober Shuttle – 50 Nos</p> <p>(iii) Glass Pipettes – 10 nos</p> <p>(iv) Probe Tips (tip radius 500 nm, solid W needle)- 25 Nos</p> <p>The offer should include installation &amp; training by industry trained engineers for three days after installation. Two similar trainings afterwards and when required by IIT Mandi.</p>
24.	Manpower (Operator)	The Vendor should provide a trained operator, with the consent of IIT Mandi, at their cost for a period of 5 years. The cost of providing the operator must be mentioned separately in the price bid. The price breakup must include monthly salary/wages with yearly increments for the trained operator.
25.	Warranty	Onsite comprehensive Warranty for 3 years (excluding breakdown period) for the entire system including filament etc.
26.	Training	Two weeks days training immediately after installation and two similar trainings in next one year as and when required by IIT Mandi.
27	Merely complying all above specification does not imply that system is technically acceptable. Qualifying technically is subject to successful demonstration of its imaging capabilities. Bidder should bear the cost of demonstration of equipment capabilities.	
Other Requirements:		
(i)	The vendor should have at least 10 FESEM installations across the country in last 10 years. The Committee may relax the number of installation required.	
(ii)	After warranty, AMC (year wise) charges should also be quoted as optional	
(iii)	Life long upgradation of all software for imaging , analysis & EDS etc should be included.	
(iv)	List of spares that can be kept in stock should be provided with price.	
(v)	Demonstration of all the functionalities of FESEM imaging process, showing specified resolution on standard samples such as Gold and Tin ball, and testing on various user's sample must be done at the time of installation. All standard specimens should be provided by the vendor.	
(vi)	List of Global users of the same model as quoted should be provided with their contact details.
