

## **Full Paper submission guidelines**

- Only submissions submitted in English will be considered. Please ensure you thoroughly check your submission for spelling and grammatical errors as accepted papers will be printed as per your submission.
- Paper submissions should be no longer than **8 pages** in length.
- The manuscript must strictly adhere to the format. The conference paper template would be available here (**Word template , LaTeX template** ).
- Ensure that all author information (names, affiliations and presenting author biography) is included and entered correctly.
- No full papers will be accepted for review after the published deadlines.
- You are encouraged to nominate up to but no more than 5 keywords with your submission. These can be included in your paper submission and within the submission process.
- Literature reviews/survey papers will only be considered if they present a new perspective or clear benefit to the field and define the field in a new way or highlight exciting new technologies or areas of research.
