

## **Mini Mathematics Training and Talent Search Program**

**(Mini-MTTS - 2018)**

**December 03--08, 2018**

**Funded by NBHM (Govt. of India)**

The Mathematics Training and Talent Search (MTTS) Programme is one of the most popular and significant training programmes for the undergraduate/postgraduate students in India. The significance of this program among students is well noticed. The aim of this programme is to promote mathematical thinking and expose young minds to the excitement of doing mathematics. The main objective of this program is to motivate and inspire the students to pursue their career in mathematics and mathematical research and enjoy the excitement of mathematics through discovery of the basic mathematical results by their own. Total number of 28 undergraduate students from Himachal Pradesh, Punjab, Haryana and Maharashtra participate in this programme. Among these 25 were from various colleges of Himachal Pradesh. The resource persons for this event were Dr. Annathnarayan Hariharan (IIT Bombay), Dr. Ajit Kumar (ICT Mumbai) and Dr. Satyanarayana Reddy (SNU Delhi). Dr. Syed Abbas, Associate Professor, actively engaged in coordinating this training programme at IIT Mandi.
