

**Book Nook Event: 'Meet Author Parul A. Mittal'
8 March 2018**

Book Nook, which aims at facilitating and enhancing the culture of reading on campus, organized an event on the occasion of International Women's Day on 8 March 2018.

Parul A. Mittal, best-selling author of three novels, engaged in a stimulating interactive discussion centred around her journey from being an electrical engineer (trained at IIT Delhi), to working in the corporate world, to becoming an author of three critically acclaimed and well received books.

Ms. Mittal spoke of her writing routine, sources of inspiration, the challenges and discipline required for having a writing career, and the great pleasure she receives from reading letters by admirers of her work. She also read an extract from her latest book, 'Let's Have Coffee', published by Rupa in 2017. The event was followed by a book signing session. Audience members left the event with copies of their author-signed book, and with interesting insights into the art and craft of writing.
