

Mini Mathematics Training and Talent Search Program

(Mini MTTTS - 2017)

December 4-9, 2017

Funded by NBHM (Govt. of India)

The Mathematics Training & Talent Search (MTTS) Programme is one of the most popular and significant training programmes for the undergraduate/postgraduate students in India. The aim of this programme is to promote mathematical thinking and expose young minds to the excitement of doing mathematics. The main objective of this program is to motivate and inspire the students to pursue their career in mathematics and mathematical research and enjoy the excitement of mathematics through discovery of the basic mathematical results by their own. More than 25 undergraduate students from Himachal Pradesh, Punjab, Haryana and Jammu & Kashmir participate in this programme. Dr. Muslim Malik, Assistant Professor, actively engaged in coordinating this training programme at IIT Mandi.
