

**Walk-in interview for one post of Project Technician in a Project funded by the Department of Environment Science & Technology (DEST), Government of Himachal Pradesh, India**

Applications are invited from Indian citizens for a walk-in interview for one post of Project Technician in project funded from the Department of Environment Science & Technology (DEST), Government of Himachal Pradesh (IITM/DEST-HP/VD/240) at Indian Institute of Technology Mandi.

**Title of the Research Project:** Public perceptions of air-pollution and the development and testing of a low-cost air-pollution sensing and warning system.

**Project details:** In this project, we intend to develop low-cost air-quality monitoring and early warning system. We also intend to deploy the developed system in a number of polluted areas in Himachal Pradesh, India.

**Minimum qualifications:** B. Tech. in Computer Science and Engineering/Electrical Engineering/Electronics Engineering or allied areas with a minimum 60% marks.

**Desirable qualifications:** Experience in web technologies, circuit design, Python programming language, and machine learning. Strong writing skills in English.

**Joining date:** As soon as possible.

**Position:** Project Technician

**Salary:** Maximum up to INR 12,400 + 8% HRA as per Institute norms.

**Duration:** Up to 1-year or till the duration of the project.

Candidates meeting the qualifications and experience should submit their details and CV online via the following link for the walk-in interview (before 8 PM on 20<sup>th</sup> July 2021):

<https://forms.gle/rN3EoafnyMgjLe3N6>

Walk-in interviews would be conducted in an online mode. The date and time of the interview along with the online link will be shared by email with candidates before the interview.

The decision of the selection committee regarding the interview logistics and selection process for the post will be final.

The selection committee reserves the right to fill or not fill the advertised post.
