

Walk-in-interview for Project Associate-I in a District Disaster Management Authority Mandi Project

Applications are invited from Indian citizens for a walk-in-interview for one post of Project Associate - I in a District Disaster Management Authority Mandi funded project (IITM/DDMA-M/VD/325) at IIT Mandi.

Title of the Research Project: Deployment of low-cost landslide monitoring and warning systems.

Project details: In this project, we intend to develop low-cost landslide monitoring and early warning systems. We also intend to deploy the developed landslide monitoring system (LMS) in the landslide-affected areas in Mandi district, Himachal Pradesh, India.

Minimum qualifications: B.Tech. in Computer Science and Engineering/Electrical Engineering/Electronics Engineering or allied areas with a minimum of 65% marks.

Desirable qualifications: Experience in web technologies, circuit design, Python language, and machine learning. Strong writing skills in English.

Joining date: As soon as possible.

Position: Project Associate - I

Salary: Maximum up to INR 18,000 per month

Duration: Up to 2-years or till the duration of the project.

Candidates meeting the qualifications and experience should submit their details and CV online via the following link for the walk-in interview (before 11 PM on 9th January 2022):

<https://forms.gle/zF21NgosW4Y7ZT1LA>

Walk-in interviews would be conducted in an online mode. The interview date and time, and online link will be shared by email with candidates before the interview.

The decision of the selection committee regarding the interview logistics and selection process for the post will be final. The selection committee reserves the right to fill or not fill the advertised position. For any additional clarifications/information, please get in touch with Prof. Varun Dutt (PI) at varun@iitmandi.ac.in
