

GUIDELINES FOR STUDENTS/RESIDENTS/VISITORS WHO ARE COMING TO IIT MANDI FROM OUTSIDE MANDI DISTRICT OR A CONTAINEMENT AREA OF MANDI DISTRICT

Travellers may have to undergo quarantine/observation as per institute/govt guidelines.
Travel will commence only after obtaining permission from competent authority of IIT Mandi.

STUDENTS

- ✓ They should travel on their own means of transport and reach directly to B-26, north campus.
- ✓ Boarding in institute buses from Mandi is strictly prohibited, though they may use public transport to reach Mandi.

- Will report directly to **B-26 building north campus** for basic medical screening.
- They should inform their arrival to tfccovid19@iitmandi.ac.in, well in advance
 - They should not go anywhere else in the campus.

FACULTY/STAFF/DEPENDENT/VISITOR

- They should travel on their own means of transport and reach directly to B-26 north campus.
- Boarding in institute buses from Mandi is strictly prohibited.

- Will report directly to **B-26 building north campus** for basic medical screening.
- They should inform their arrival to their reporting officers & tfccovid19@iitmandi.ac.in well in advance.
 - They should not go anywhere else in the campus including their house/office.

On arrival in the campus, sanitization of the vehicle will be carried out by housekeeping staff with 1% hypochlorite solution at barrier near bridge (security post) at north campus. Security staff will provide a pair of gloves and note down their details and direct them to B-26 for medical screening.

Security housekeeping staff should maintain physical distancing & follow other required precaution as per guidelines.

B-26 reception staff will intimate the medical team who will conduct basic medical screening.
