2		In clause 7.1.1 of ITB, under Past Experience of the PSU; in item of work: Experience in similar works during last seven years,it is explicitly mentioned the projects should be successfully completed in hilly terrains of North India. We believe this is quite restrictive and the work executed should be in hilly terrain anywhere in the world.	Work executed in any hilly terrain shall be considered.
3		We believe that the bid document is in line with CPWD Work Manual, hence in scheming of marks allotting marks, allotting marks between minimum eligibility criteria and twice or more than the minimum eligibility criteria should be on pro rata basis as per Annexure-1 of Appendix -20 of CPWD works Manual 2014.	Marks between minimum eligibility criteria and maximum eligibility criteria are considered on pro-rata basis.
4		<p>WAPCOS Limited is a Schedule B Mini Ratna PSU, however WAPCOS has executed many large scale projects notably Aghan - India Friendship Dam (Salma Dam). Also, WAPCOS is executing Residential and Non Residential Buildings works on deposit work or turnkey basis for various clients notable being Ministry of Home Affairs Ministry of AYUSH, Ministry of Culture and Archaeological Survey of India, NIA, SAI ITBO, BSF etc.</p> <p>In clause 7.1.1 of ITB, under Past Experience of the PSU; in item of work: Navratna and above/Schedule A/Mini Ratna/Schedule B/Mini Ratna, WAPCOS is scoring 4 marks out of 10, which we believe in not justified taking into account the capability of WAPCOS to execute large scale project efficiently. Hence, the criteria may be relaxed or the marking scheme may be modified to make it more competitive among different PSUs.</p>	Request can't be considered as the criteria cannot be modified for the favour of a party.

5	<p>WAPCOS is on the verge of completion of 49 years from the date of incorporation and has a global presence years in about 42 countries covering Asia, Africa, Middle East, South America. Only few PSUs with relevant experience has experience of more than 50 years. It is requested that the scheming of marks may be modified on pro-rata basis.</p>	<p>Request can't be considered as the criteria cannot be modified for the favour of a party.</p>
