

Visit of Japanese Delegation to IIT Mandi

The Japanese delegation, including Tonichi, Otsuka Corp., and Willings, visited IIT Mandi from February 12th to 13th, 2024. The visit was a resounding success. The Office of the Dean of Resource Generation and Alumni Relations (DORA) hosted the visit of a Japanese delegation under the esteemed leadership and guidance of Prof. Laxmidhar Behera, Director of IIT Mandi. This visit was aimed at exploring potential collaborations.

The visit commenced with a warm welcome of the Japanese delegation of ten people (including two alumni) by Prof. Chayan Kanti Nandi, Dean of Resource Generation & Alumni Relations, Dr. Varun Dutt, Associate Dean of Resource Generation & Alumni Relations. Dr. Shubjait Roy Chowdhury, Dr. Narendra Kumar Dhar, Alumni Advisors, and Mr. Anuj Kumar Dubey, Assistant Registrar, along with the DORA officials, also welcomed the Institute guests.

Thereafter, the Hon'ble Director IIT Mandi welcomed the guests and delivered the keynote address followed by the felicitation. An interactive session highlighting the purpose of the visit, emphasizing collaboration opportunities between the Japanese companies and IIT Mandi, was held with the stakeholders of the Institute.

The Institute organized the campus tour for the delegates to showcase the Infrastructure, academic and research activities including facilities/laborites. Several interaction sessions with the current students were held to explore the possibilities of internships in Japanese industries.

The event also includes a group photo session followed by dinner to foster networking and relationship-building with the delegates.

The officials from Tonichi, Otsuka Corp., and Willings expressed their keen interest in collaborations with IIT Mandi on various aspects.
