

## 4<sup>th</sup> HYBRID WINTER SCHOOL ON COGNITIVE MODELING

**Organized By- IIT Mandi iHub and HCI Foundation**

**Date: - 16<sup>th</sup> – 18<sup>th</sup> October 2022**

### ➤ **Objectives Of the Winter School**

- To provide a forum to train students, researchers, and professionals on the best practices in the area of cognitive modeling.
- To provide a forum for trained students and researchers to work with leaders and pioneers in the cognitive modeling domain.
- Expose researchers to the state-of-the-art models in basic and applied domains
- Involve top international researchers in the area of cognitive modeling to present their work as part of the winter school

### ➤ **Organizers**

- **Applied Cognitive Science Laboratory, Indian Institute of Technology Mandi, India**

- **IIT Mandi iHub and HCI Foundation**

- **Cognitive Modeling Group, University of Groningen, Netherlands**

- **Computational Neuroscience Research Group, University of Waterloo, Canada**

- **Indian Institute of Technology Roorkee, India**

➤ **Registration Fee**

- **UNDERGRADUATE STUDENTS**  
Online: 500 INR  
Offline: 6000 INR

- **MASTER'S STUDENTS**

Online: 1000 INR

Offline: 6500 INR

- **PH.D. STUDENTS**

Online: 1500 INR

Offline: 7000 INR

- **POSTDOCTORAL FELLOWS**

Online: 1500 INR

Offline: 7000 INR

- **FACULTY/RESEARCHERS/SCIENTISTS**

Online: 2000 INR

Offline: 7500 INR

- **Important Dates**

- **15.09.2022**

Application for Winter School Begins

- **10.10.2022**

Last Date for Submitting Applications

- **Link to Apply**
