

**7th International Congress on Computational Mechanics and Simulation
(ICCMS 2019)**

Indian Institute of Technology Mandi (IIT Mandi) organized 7th International Congress on Computational Mechanics and Simulations (ICCMS 2019) during December 11 – 13, 2019. Under the auspices of the Indian Association for Computational Mechanics (IndACM), International Congress on Computational Mechanics and Simulation (ICCMS) is organized biennially. The 7th edition of ICCMS at IIT Mandi, hosted 15 plenary speakers, 9 keynote speakers, and 11 invited speakers from, Australia, Japan, India, UK and USA. The congress was inaugurated on 11th December by Prof. Timothy A. Gonsalves, Director, IIT Mandi in the presence of Prof. Tarun Kant, founding president of IndACM and Dr. Rahul Vaish, acting Chairperson, School of Engineering.

The congress was attended by 200 participants, apart from about 64 internal participants including students and faculties of IIT Mandi and 6 delegates from the sponsors/exhibitors. Total 215 technical papers were accepted for inclusion in the congress proceedings. About 186 oral presentations were conducted in 36 parallel technical sessions. The presentations were made by the delegates from across the world. There were four student participants from Canada, one each from Germany and Australia.

Along with the regular technical sessions, on 12th December, International Society for Soil Mechanics and Geotechnical Engineering (ISSMGE), in association with ICCMS 2019, organized a day-long Mini-Symposium of ISSMGE's Technical committee TC-105 on Geo Mechanics from Micro to Macro. Seven invited lectures and four regular presentations by young researchers were included in this mini symposium.

The announcement of the ICCMS 2021 was made in the valedictory session on 13th December. In this session, the title of Fellow of Indian Association for Computational Mechanics was conferred on Prof. Ashwini Kumar for his significant contributions to teaching and research in the area of Structural Engineering.

The event was financially supported by IIT Mandi, Science and Engineering Research Board (SERB), Board of Research in Nuclear Sciences (BRNS), Itasca India Consulting Pvt. Ltd., Dassault Systems, Entuple Technologies and Bentley Gold Chanel Partner Innovative System. More details of about the congress may be found at: <http://iccms2019.iitmandi.ac.in/>.
