

IIT Mandi graduate placed at University of Texas

Dr. Palvi Aggarwal, a 2018 Ph.D. graduate, guided by Dr. Varun Dutt, Associate Professor, Indian Institute of Technology (IIT) Mandi, has received an offer to a full-time tenure track Assistant Professor position in the Department of Computer Science at the University of Texas at El Paso, USA.

Dr. Aggarwal finished her Ph.D. at the School of Computing and Electrical Engineering, IIT Mandi, in December 2018. After completing her Ph.D. degree from IIT Mandi, Dr. Aggarwal took a postdoc position at Carnegie Mellon University, USA. Dr. Aggarwal is planning to join the faculty position at the University of Texas in September 2021.

IIT Mandi congratulates Dr. Palvi Aggarwal for her achievement and wishes her many more successes in the future.
