School of Mechanical and Materials Engineering (SMME)

CORRIGENDUM

Date: 18.06.2026

This is for the information of all concerned that, with reference to the advertisement for the **Second Round of Admissions** to the **Ph.D., Dual Degree (M.Tech Research + Ph.D.), and M.Tech Research Programmes**, the mode of interview has been revised.

The interviews will be conducted in **hybrid mode** (both online and offline). Shortlisted candidates who wish to appear online will be provided with the meeting link and relevant instructions after the application screening process is completed.

All other terms and conditions of the admission advertisement shall remain unchanged.
