Joint Research Degree Programme

IIT Mandi • INST Mohali

The Joint Research Degree Program (JRDP) provides an opportunity for Ph.D. students enrolled at either institution to undertake multidisciplinary research in collaboration with faculty members and research teams from IIT Mandi and INST, Mohali. The program also enables students to access the research facilities, expertise, and professional development opportunities available at both institutions.

Admission Offered

Category A – IIT Mandi Home:

Eligible candidates shall be provided fellowship support by IIT Mandi, as per the Institute's applicable rules and norms.

Category B– INST Home:

Selected candidates shall be provided fellowship support by national-level fellowships, subject to fulfilling the eligibility criteria prescribed by the respective funding agencies (e.g., CSIR/UGC-NET-JRF, ICMR-JRF(Category-1), and DBT-JRF), or
through available fellowship quota of the respective Scientist of INST, subject to applicable Institute norms and availability of funds.
