

SUMMER INTERNSHIP 2025

IIT Mandi invites applications for summer internship for the duration of One-Two month(s) (May-July 2025).

About Internship:

IIT Mandi has a summer internship program which aims at introducing undergraduate and postgraduate students to research so as to enthuse them, and to get them interested in a career in teaching and research. This is a one-two month(s) long residential programme and it combines hands-on research training with a variety of hardware and software analysis tools.

Eligibility:

The programme is open only for MoU (s) Signed with IIT Mandi Institute(s)/College(s) /Universities candidates:

- **For Bachelor's degree in Engineering/Technology:** Only Pre final (i.e. 3rd year)
- **For Postgraduate students:** Only Pre final (01st year)
